FOOD & DRINK 🍴

We have a great choice of food outlets from local producers, local caterers and our own Plumpton Estate produce on offer located on the Principal's Lawn 6. You can also grab a light snack from Graze cafe in the AgriFood Centre 3, and in the dining room in the main building 7.

MEDICAL ASSISTANCE 🚑 FIRST AID

Your safety is important to us. We have fully trained paramedics available all day, walking around the campus to help in emergencies. We will also have a first aid unit outside the main building 7.

If you need assistance, please speak to them, locate a member of staff or at an information point, or call 01273 890 454 (college reception). If you make a 999 call, please inform a staff member as soon as possible.

FACILITIES 👤👶👤♿

You will find toilets in most of our buildings - see map for locations. Baby changing and accessible toilet facilities are located in the main building and the AgriFood Centre.

DOGS

Please ensure that dogs are always kept on leads and ensure any mess they make is picked up, bagged and placed in a bin.

INFORMATION POINTS ⓘ

Due to the recent weather conditions, please check the programme or visit an information point for the most up to date information.

PLUMPTON
COLLEGE

OPEN DAY & SPRING FAIR PROGRAMME

@plumptoncollege
#PlumptonOpenDay

AGRIFOOD CENTRE 3

CHILDREN'S ACTIVITIES

Pop along to the AgriFood Centre for children's activities in animal mask making, mindful colouring, eco-arts, superworm story time (**11:45am**) and balloon modelling (**12:30pm onwards**), glitter tattoos, facepainting and more.

TREE PLANTING

Join us in planting trees outside the AgriFood Centre at **1:00pm** & **3:00pm**.

PLUMPTON BAKE OFF

Year 9 & 10 Food Tech students from schools across Sussex participate in baking their Coronation-themed masterpieces. Winners will be announced at **2:30pm** in the training kitchens.

HORTICULTURE

HARD LANDSCAPING

Demonstrations at **11:00am - 12:30pm** and **2:00pm - 4:00pm** in the greenhouse shed.

GARDENER'S QUESTION TIME

Panel of horticultural experts answer your gardening questions at **11:20am - 12:00pm** and **2:20pm - 3:00pm** in front of the greenhouses.

TERRARIUM & PROPAGATION WORKSHOPS

Running throughout the day in the horticulture classrooms, make your own terrarium with sand, soil and plants. Have the opportunity to learn how to make a cutting from plants to take home too!

FLORISTRY 5

View stunning student floristry display in St Michael's Church.

BUTCHERY KITCHEN 1

Join butchery apprentices and view demonstrations running all day and participate in sausage making.
